

Thank you for your interest in being a part of the Voyageur Crew

We are a canoe outfitting business located at the end of the Gunflint Trail, 56 miles from the nearest town. We, Mike and Sue Prom, are the owners and operators of Voyageur Canoe Outfitters and will be your supervisors during the summer.

We are looking for a few outgoing, happy go lucky, energetic, hard working people for a summer of intense work as part of the Voyageur Crew. We work eight-hour days, six days a week and have to do it with a smile on our face. We need positive people with positive attitudes to serve our guests the exceptional customer service they deserve. Our guests' satisfaction is our ultimate goal.

We treat our crew with respect and appreciation. We expect hard work, honesty and positive attitudes from our crew and when we get that we are all happy. Since we all work together and live together for the summer there are a number of house rules our crew must abide by which will be discussed prior to employment. Our crew sacrifices television and the majority of entertainment for a summer with a great backyard. We expect our crew to act as responsible adults who represent our business for the summer.

Our crew lives in dorm like housing, shared by other employees. The accommodations and three meals a day are provided. There is a community bathroom and shower which we expect to be kept clean at all times.

Crew may use our equipment free of charge during the summer when available. Our guests have priority to our facility and equipment. Tips are common and are usually between \$10.00-\$15 a week. A \$100.00 bonus is given if you stay for your entire contract. Your beginning wage will be determined based upon your time commitment and position and will be no less than \$1000.00 per month.

We have a minimum of a 10-week time commitment and 12 weeks is preferred. If this sounds like something you can do, then please return this application, with references, referrals and a recent photograph. Please feel free to contact us by phone or e-mail with any questions you may have.

We would love to have you as part of the Voyageur Crew this summer,

Mike and Sue Prom
